

Using our new web site

Our new web site, www.prctennis.com provides many interactive features to help us serve you better by:

- making it easier to research our calendar of events
- download and print any enrollment or release forms
- find and enroll in programs
- join "groups" that the club has established
- and even find a new playing partner

....even when the clubhouse is closed!

To take advantage of these capabilities, and to protect your privacy, you will need to register on our site where you can control your personal preferences and the level of information you decide to share with us and maybe even other members.

You can register with as little as 3 fields of information (first name, last name, email address). However that will just add you to our email database, so we would appreciate you taking 2 to 3 minutes to look over the complete registration process.

Please "Register" by clicking here:
