

PETERSBURG RACQUET CLUB SWIMMING POOL RULES AND REGULATIONS

The following rules and regulations are established for the health, welfare and safety of all members of the Petersburg Racquet Club Pool and their guests.

("Management") of Petersburg Racquet Club has adopted the following rules and regulations as a condition of membership. Management reserves the right to change these rules and regulations at which time the membership will be notified.

The pool lifeguards are authorized to evict anyone violating or failing to comply with the regulations and to enforce such additional rules or regulations as may be necessary for proper, safe operation of the pool. Repeated infractions will be referred to Management. Management may suspend pool privileges for the violator and/or entire family as necessary. The lifeguard on duty shall act as representative of Management and shall have the authority to enforce these regulations and to supervise the general conduct of the swimmers.

A. General

1. Petersburg Racquet Club accepts no responsibility for loss of money or the loss of or damage to articles belonging to those using the pool.
2. No pets are allowed in the pool enclosure.
3. Although alcoholic beverages are not specifically excluded in the pool area, consumption should be inconspicuous as to not offend those members who do not consume alcohol. Any member who appears to be under the influence of alcohol or other substances which have a detrimental effect on pool safety and environment will be removed from the pool area.
4. Tampering with or defacing Petersburg Racquet Club Pool property or equipment is prohibited. Property damage will be charged to the responsible member.
5. Parents, whether present or not, are responsible for the conduct of their children and children's guests using Petersburg Racquet Club Pool.
6. Ten minutes of each hour will be set aside for adult swimming and children's (under the age of eighteen) rest period. This includes the wading pool. Parents should take advantage of this time to encourage children to use the restroom facilities so as not to pose a potential sanitary problem in the swimming pool.
7. A public telephone is available for use by members of the pool. The phone is available for local calls only, and should be used primarily for emergency purposes. Members should limit the time spent on the phone and no loitering, lingering or excessive use of the phone will be authorized. Pool staff will not answer the phone, or page pool patrons to come to the phone unless a significant emergency prevails.
8. Loud, boisterous, or profane language will not be permitted in the pool area. Such behavior may result in removal or suspension of pool privileges.

B. Members

An adult member must register out-of-town house guests first. Children 18 and under will not be allowed to bring in house guests at no charge unless their parents have registered them first.
